**Los Angeles, CA, January 13, 2026** — Get ready for a decade's worth of laughter, heart, and show-stopping dexterity as ***Jeff Civillico: Comedy in Action*** is now available for rental or purchase on Amazon Prime Video, Apple TV, Google Play, and YouTube TV.

This unique special is half clean comedy show and half heartwarming documentary, following world-class performer **Jeff Civillico's** unforgettable decade headlining in Vegas. With wild stunts, hilarious audience moments, and a behind-the-curtain look at the hustle, heart, and humor it takes to chase a dream, this is a feel-good story for the whole family.

Audiences can expect plenty of laughs from Civillico's signature mix of physical comedy, juggling, and interactive moments. But they'll also get an up-close look at the sacrifices and risks that come with building a solo show from scratch—from maxed-out credit cards and years spent living in his dressing room, to viral stunts and sold-out theaters. This special pulls back the curtain on what it really takes to chase a dream in the entertainment capital of the world.

“This isn’t just a comedy special—it’s a story about influence, resilience, and choosing purpose over ego,” said Civillico. “If it makes people laugh, feel something, and maybe believe just a little bit more in their own wild ideas, then it’s done its job.”

The film also highlights Civillico’s philanthropic work through **Win Win Charity**, the nonprofit he founded to bring professional entertainers to children’s hospitals nationwide. The same energy that electrifies a Las Vegas stage is also shown to have a powerful impact offstage. The documentary traces Civillico’s journey back to his roots, shaped by childhood mentors, supportive parents, and a lifelong passion for performing.

Equal parts hilarious, heartfelt, and inspiring, *Jeff Civillico: Comedy in Action* is a cheerful, family-friendly experience celebrating creativity, community, and the courage it takes to say yes to the unknown.
